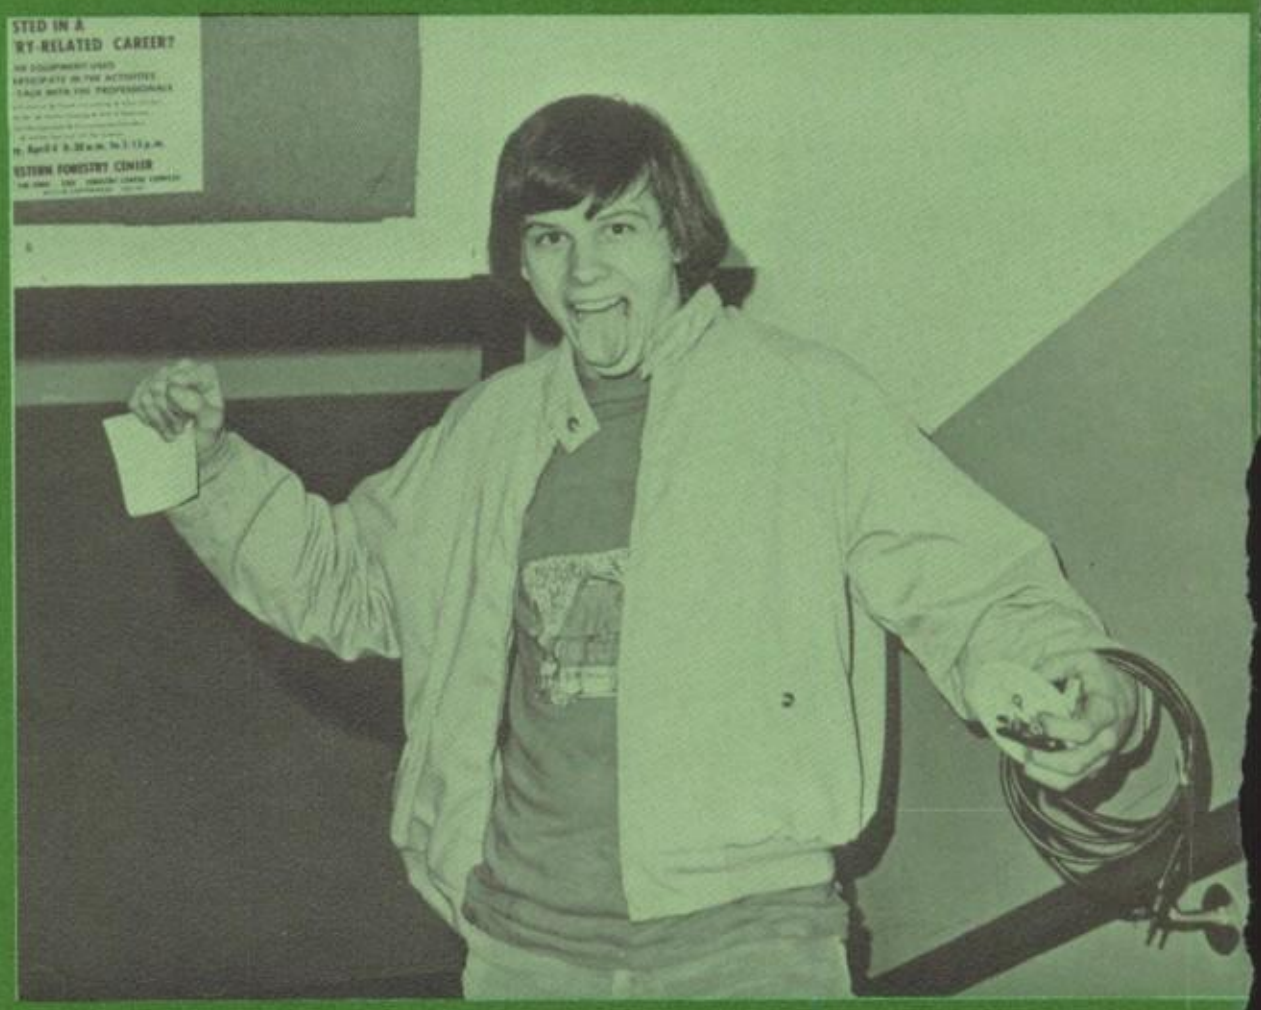
EDITOR: Ken Ulbricht

ASSISTANT EDITOR: Lori Bidgood

ADVISOR: Carol Benson



Within everyone is the inherent desire to swing on a star, to reach for glittering dreams and idealistic hopes. Man is an earthly creature but if he is to succeed in life, his soul must exist in the highest of goals. For to be truly happy, he must answer the question of how to begin and not how to end, of what we want and not what we already have.

YEARBOOK STAFF

EXCHANGE STUDENTS

Virginia Troute was the advisor for exchange students who directed many students to a myriad of places through Rotary and American Field Service programs. The places students went during the 1974-75 school year include: Brasil, Ohio, California, Oregon (Pendleton), and Maryland.

Right: Sue Pfahl smiles as she thinks of a year spent in the state of Parana, Brasil, under Rotary supervision. **Below:** Virgil Geigle leans against a post, as he remembers Bebit, Ohio where he spent some time in 1974. **Lower right:** Analia "Ani" Donner enjoys her photography class. She is from Pcia Roque Saenz Pena, Chace, Argentina on the Rotary Club program.

Left: Julie Pagel, Jan Jones, Edna Smutzler, and Virgil Geigle recount a week spent in Rosemont, California under the AFS short term exchange program. **Below:** Mike Bishop, Patti Previs, Lori Bidgood, Sue Stein, and Ken McLean get together to reminisce. Everyone except Patti was near Londrina, Puruni, Brasil; Patti was in Pinda Monitan Gaba, Sao Paulo, Brasil. All five were on the Rotary program. **Not pictured** is Wendy Bell who went to Damascas, Maryland.

STUDENT BODY OFFICERS

The leadership class this year tried to find new activities and ideas to get the student body to show some interest in their school. The people I have worked with in these various activities have shown me what it is like to be dedicated to something. My only regret in looking back on the year would be that more people did not get involved with the activities that were provided for them.

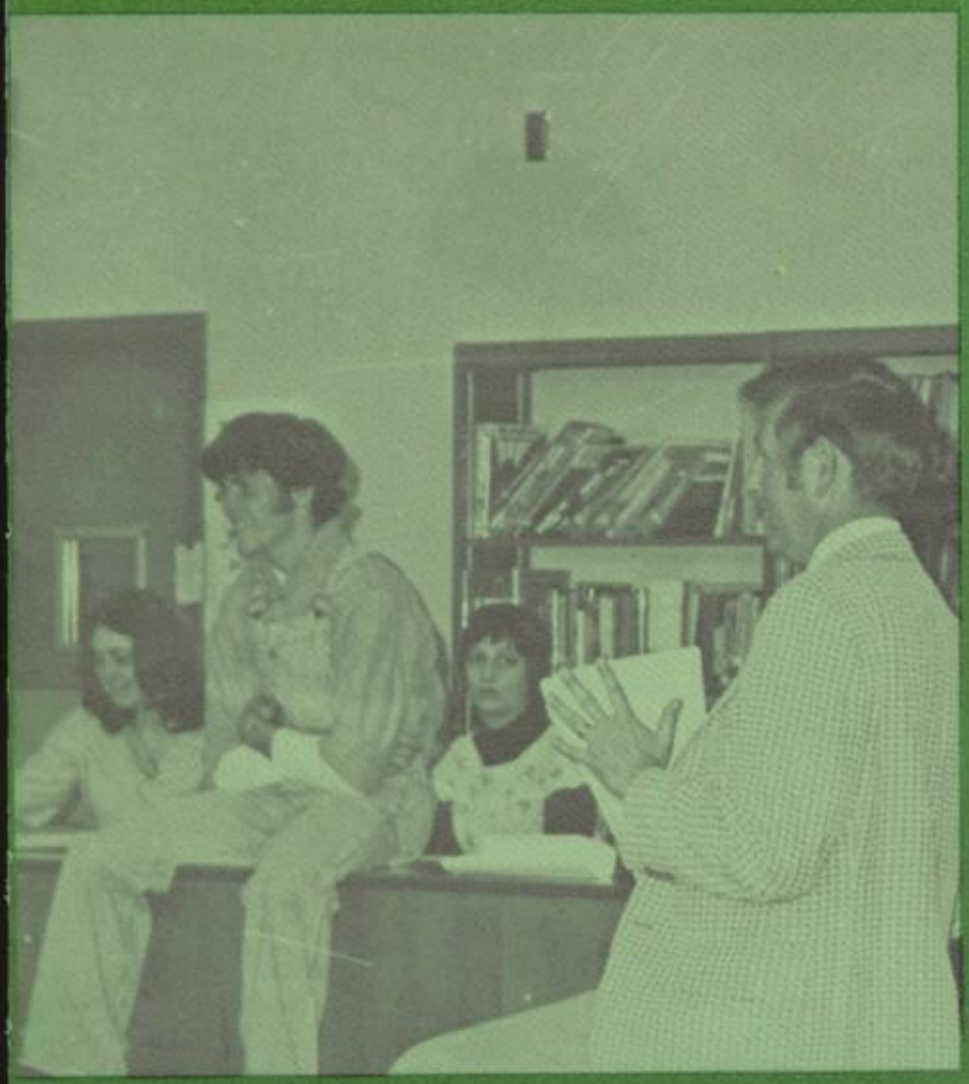
Steve Lewis,
Student Body President

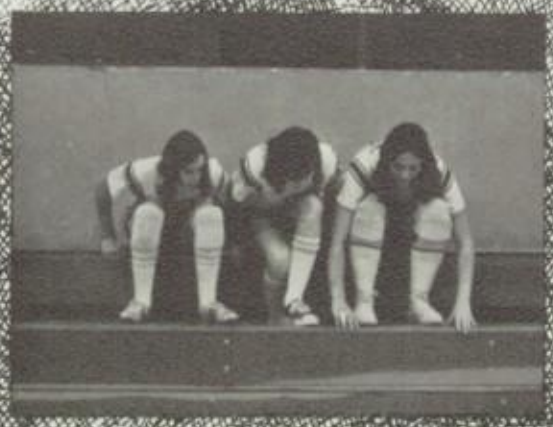
Middle right: 1975 Student Body Officers: Treasurer Erin Neuhauser, Activity Director Scott Miller, Secretary Jan Pepper, President Steve Lewis, and Assistant Treasurer Becky Schumacher. Not pictured: Vice-President Bob Umber. Lower right: Sandy Fowler and Steve Lewis enter into a lively discussion during leadership class where executive decisions are made. Bottom: Jan Pepper and Erin Neuhauser contemplate a request made in Student Council.

STUDENT COUNCIL

After a dead first semester, second semester representatives "came alive" and played a vital part in our school government. Along with the usual constitutional amendments came controversy over items like what exactly does the Korean orphan get from our support and what's the school board representative doing.

Top left: Student council representatives, (chosen from their third period classes) take their job seriously. Middle left: Jan Pepper, Bobbie Umber, and Erin Neuhauser join Mr. Hibbard in obvious amusement at student suggestion. Lower left: New second semester representatives are fascinated by their first student council meeting. Below: Student Body Vice President Bob Umber rules student council with an iron hand.





CLASS

UNDER

FRESHMEN

This year's Freshmen class was pluckier than any other to join West Linn High's everchanging ranks.

"It has been a pleasure for me to have been Freshmen Class President. My only regret is that the year went by too fast. Next year we will all come back as old-timers. I sincerely hope that our class will be as considerate to the next Freshmen class and they will enjoy their first year at West Linn High School as much as we did.

SOPHOMORES

The Sophomore class sponsored the 1974 football Homecoming dance. "People danced amid the animals in Lion Country" was the theme. This year's Sophomores proved to have a few hidden basketball stars, such as Kevin Bobillot and Rob Parker, who made it on the varsity team. Also, we had really good, all-around athletic teams in every sport. The goals of our class were to prepare ourselves for future obstacles in life, and to show that Sophomores have lots of spirit.

Sincerely

Kris Munson

JUNIORS

The Class of '76 concentrated most of their efforts into fund raising for the Queen's Ball. Besides a football dance for the Lakeridge game which netted over $160.00, the juniors had the traditional Val-o-gram sales, the promotional basketball game with the All-American Red Heads in March, and the fund raising movie in April. Under the able leadership of class president Mark Schleiss, the juniors also co-sponsored the potluck dinner during football homecoming. These are just a few of the outstanding activities the juniors participated in. The successful Queen's Ball paved the way for the climactic senior year, the final chapter in the success story of the Class of '76.

SPORTS

RALLY

"Rouse 'em, Souse 'em, West Linn High". This year, West Linn's three rallies "roused" lots of spirit and enthusiasm for all sports. They cheered both the football and basketball squads on to winning seasons and generated excitement for the promising baseball team. The Football (or Fall Rally) also attended all wrestling matches and gave support and licorice to the "Groovy Grapplers." The winter Basketball Rally braved many a cold, rainy day to cheer the cross-country team faster to the finish line. J.V. Rally yelled for both the junior varsity football and basketball teams. They also spent many long hours making posters, locker signs, and helping to plan pep assemblies. All three rallies sold enormous supplies of Tootsie pops, painted signs, and put in a lot of hard work to create a school spirit appreciated by all.

VARSITY VOLLEY-BALL

The Varsity Volleyballers had an excellent season in only their second season of competing against Wilco League opponents. Varsity Coach Lucille Grunst was proud of her girls, who ended their season with a record of 11-3. West Linn won third place in the Wilco League tourney. The gals yielded to Gresham 9-15 and 11-15, and then came back to upend Sam Barlow in the consolation finals, 15-7 and 15-8. The only League losses were to Gresham and Clackamas. Three outstanding gals were Kasha Tolman, Jan Buse, and Theresa Newton. These three led the Lions to a winning season and also made the League all-star team. These girls will be looking forward to a good season next year also. Two girls that also were very helpful to this successful team were statistician Karen Hachenberg, and manager Theresa Taylor.

VARSITY II

The Varsity II team also had a successful season with a record of 10-2. These gals really worked hard and should be a big benefit to the Varsity team next year. Three girls that really did an outstanding job were freshman Pam Cagle, Jill Buse, and Debbie Ware.

BOYS' CROSS COUNTRY

This year's cross country team battled some rough competition throughout their thirteen-game schedule. Although they won only four meets during the season, they finished eighth in District competition, winning over two teams which had beaten them earlier. Individually, Albert Taft starred for the third straight year. Albert took fifth in District, 35th in State and made first team on the Wilco League All-Stars.

GIRLS' CROSS COUNTRY

A stride for the female athletic program this year was the creation of a girls' cross country team. At first members were scarce, but soon a group of seven runners comprised the squad. Although a young team—all the members were under classmen—they made their presence felt. Freshmen Lauri Rust and Lauri Alzner turned in outstanding performances, finishing 8th and 9th in district competition.

J.V. CROSS COUNTRY

A lack of experience marked the biggest problem of this year's J.V. squad. All of its members were freshmen. The team stayed in shape nevertheless, running everyday after school on days when there was no meet. With experience, this group of youngsters could go places in the future.

West Linn, a team small on size but big on desire, made their presence felt this year. After getting off to a poor start—one win and two losses—the gridders found themselves needing a win over a tough Milwaukie team. Heavy underdogs and outsized, West Linn stayed tough until the very end but lost 12-7. Next the dejected West Linn team faced Lakeridge, one of the leading teams in the Wilco League. Costly mistakes made the difference in the game as West Linn lost 28-13. Many teams would have given up at this point, but not West Linn. They ended their season in grand fashion as they romped over Oregon City 16-0, blanked Tigard 18-0, and easily won over Hood River 19-0 for the third straight shut-out and the fourth one of the season.

West Linn's record now stood at four wins and four losses. They needed a win over Reynolds to make their season a success. The game was hard fought from beginning to end, and the score at the end of the fourth quarter read 14-14, forcing the game into overtime. Reynolds got the ball first. But the tough Lion defense stopped them and Reynolds had to settle for a field goal.

Then West Linn got the ball. On the first two plays the offense stalled on third and eight. Quarterback Bob Umber handed the ball off to junior tailback Mark Goins as he rambled in for the winning touchdown. The final score read West Linn 20, Reynolds 17.

Larry Stone, who received the Most Valuable Player Award, and Vern Doyle, Mr. Touchdown, were first team All-Willamette. Seniors Ted Aschenbrenner, Kyle Wood, and Scott Miller received second team All-Willamette, while Tim Dungey, Don Esau, Dave Whisler, Jim Davis, Tom Croy, Martin Turner, Dean Bullock, and Don Miller received Honorable Mention. For the third year in a row West Linn had a winning season in football.

J.V. FOOTBALL

The 1974-75 West Linn J.V. football team lost seven games this season but drove successfully to two wins. Working with a rather small team, outsized by almost every team on their schedule, Coaches Joe Vanni and Terry Woebke put together a hard hitting determined team that should fit very easily into the varsity football plans in the future. Both coaches were naturally disappointed with the team's record, but they were truly pleased with the effort put out by their team and feel that they will continue to give 100% for West Linn in the coming years. Special credit is due to Lee Holland and Mike Price going both ways on offense and defense. Running backs Mike Timmerman, Kevin Bobillot, and Jay Dungey showed consistently good performances during the entire season.

FROSH FOOTBALL

The future looks bright for the class of '78 football team. The team had a year all coaches must dream of: They remained undefeated.

"The whole team did an outstanding job," claim coaches Bob Grant and Darrell Greenlee. They also agree that there was a good group of athletes on the team. Both the offensive and defensive lines worked well, according to the coaches.

At one of the games a pass was retained 97 yards for a touchdown, which broke a school record.

It looks like the freshman football team will make our school proud in the coming years.

VARSITY WRESTLING I & II

The 1974-75 wrestling season was a year for re-building and individual growth for the West Linn Lions. Returning this year as a senior was Mark Cramer, wrestling at 130 pounds. His individual record for the season was 16-8, and he finished the year with a 21-11 record. His ability and determination earned Mark second place at sub-district and fifth at district. Mark was named captain by his teammates. Another returning matman for the Lions was Steve Walton, 157 pounds. His regular season record was 15-5 and a 20-8 over-all record for the year. Steve also placed second in sub-district and fifth at district. Curt Rogers, 136 pound weight class, had a tremendous desire to compete. Curt is a second year letterman. Another senior, Ken Ulbricht, 141 pounds, ended his season early due to a knee injury. He earned a 13-6 seasonal record.

Starting in eight of the varsity positions were seven sophomores and one freshman.

Team accomplishments for the season included defeating Lake Oswego and Lakeridge in dual meets.

FROSH WRESTLING

This year's Freshman Wrestling Team found each day ending with hours of exercises and grueling work-outs that built up endurance to carry them through match after match. The frosh matmen also featured several wrestlers who displayed future potential. Mark Krellwitz, Jim O'Connell, Ron Sara, Bob Mecalis, Larry Oldenstadt, and Al Folk all gained varsity experience. The overall record is not indicative of the ability of this team due to the number of forfeit points that had to be given opponents each match. The freshman wrestler with the best record was Al Folk, who won 14 matches.

ONE MAN SWIM TEAM

This year West Linn had a one-man swim team, in the form of Jim New. Jim displayed his fantastic qualities at the Wilco League District Swim Meet: he swam the 200 yard freestyle, came in first place and broke a league record with the time of 1:51:1. This win qualified him for the 500 yard meet. In the 500 yard meet he placed first and again broke another league record with the amazingly fast time of 5:01. By placing in the District meet he then qualified for the State meet at the University of Oregon in Eugene. Jim placed 6th in the state at this meet. Everyone at West Linn is really proud of Jim for single - handedly representing West Linn so well in the swim meets. Thank you Jim New.

Coach McKie's "roundballers" finished another regular season as champions of the Willamette Division with a 21-1 record. The Lions' only loss of the regular season was to number one rated Lake Oswego.

One highlight had to be defeating Rex Putnam on their home court by 15 points and then go on to a 12-0 Willamette League record. The Lions survived the playoffs and went on to State, this year with a 22-2 record. The Lions beat Centennial for second spot in the tourney berth, and for the third time in three years held the Eagles scoreless for a full quarter to add to their number one defensive rating in the state.

The Lions have the winningest record in the Wilco League. In five years of regular season play, Coach McKie has guided his "Maplecourt Flashes" to 102 wins and only 8 losses for a fantastic 92% winning record.

This year's junior varsity team was an exceptionally good one. Some of the players were given special recognition for their outstanding performance during the season. Leading scorer for the team was Jay Dungey, with 320 points for the season. This was an average of 14 points per game. Jay was also the leader in assists. Leading rebounder was Chris Hamel. For the offensive team the best rebounder was Jeff Perdue. The best hustler was team captain Don Esau. These players might very well be some of the new faces we see on the varsity team. The J. V. team sure showed us what they could do with a season record of 6 losses and 16 wins.

FROSH BASKETBALL GREEN AND GOLD

Even though the Frosh Green Team lost some games due to fouls, they still maintained good team spirit. The team made up for in skill what they lacked in height. There were many excellent players on the team. If they continue on in basketball West Linn has some tremendous prospects for future varsity players. Under the direction of Coach Greenlee, the Frosh Green Team established itself as a fine freshman team. Emphasis was put on team improvement and discipline, as well as self-pride.

GIRLS' BASKETBALL

This year was the first year that West Linn had a girls' basketball team. We had two teams—a Junior Varsity and a Varsity. Both teams did very well considering they were both first year teams. Coach Penny Miller says "I am really proud of my teams, and they will be even better next year. We had a very good season. We went to District Playoffs and were seeded fourth in the league. We played against last year's district champions and lost by a score of 38-46. We should really be proud of our girls' basketball teams. We played against teams that had been playing together for three years and beat them."

SKI TEAM

This year proved to be one of total improvement for the West Linn Ski Team. Coach Welch took each member and helped that skier as much as possible in one season. For the first time this year West Linn's Ski Team went to State and came in ninth over-all. The girls got fifth, and the boys took seventh place in individual competition. The gals and guys had fun traveling all over in their little bus, where a family-like spirit prevailed.

GOLF

Individual efforts were the catalyst of the 1975 golf team. Starting with three returning lettermen, Rick Graap, Jeff Tomsik, and Greg Sams, the team has shown improvement despite the poor record (5-14). They finished ninth in Wilco League District out of fourteen schools. Rick Graap went to state in All-Star District Tournament to cap off the season. VARSITY BASEBALL

According to Varsity baseball Coach Terry Pollreisz, "Despite a 9-10 league record, this year's ballclub was the most competitive team that I have coached at West Linn." They were small in number but very willing and able to challenge the best and toughest in the league. As the record shows, they split wins with Milwaukie, Willamette Division leader, and lost to Barlow, the eventual Wilco League champion, by a close score of 6-5. Six West Linn ball players earned All-Star status. Scott Miller and Glen Baggerly were 1st Team picks and Ken Ulbricht, Steve Lewis, Kyle Wood, and Randy Oetken were honorable mention picks. With a large number of seniors graduating, a real challenge exists for next year's ball players.

Although the J.V. team ended the season with a 5-15 win-loss record, there were definite gains for the team. Rick Kruse and Ed Gifford led the team in pitching with Dave Bany behind the plate and the hitting of Bob Bailey. The team maintained a great attitude and desire to play baseball. The highlight of the season was a 2-0 victory over Oregon City. There are some good prospects on this team for future varsity players.

FROSH BASEBALL

The Freshman team had one of its more successful seasons in several years. The team had a great desire, team competition, and individual performances that gave them a 9-11 win-loss record. Twenty-one boys ended the season, making it a true challenge for each individual. The main pitching load was carried by Jim Barnes, Bob Bishop, Rocky Oetken, and Jeff Schroeder. Mark Barnes was the team catcher. The team's highlight was winning a 15 inning game against Rex Putnam 5-4.

VARSITY TRACK

The 1975 Varsity Track Team will go down in West Linn Athletic Annals as the team that finally made it happen. On Friday, April 25, West Linn defeated Oregon City 83-60. This was the first Varsity victory since 1972. At this writing, the prospects are good that this winning trend may continue. The overall record is 1 win against 5 losses at this time. The future looks promising with 28 out of 35 team members returning next year to West Linn's track program.

Front row: Terry Nordstrom, Bill Hawkins, Greg Wood, Ron Poole, Glen Anderson, Gary Greenlee. **Second row:** Rick Wanker, Steve Klein, Brian McNeil, Tom Croy, Timm Stone, Skip Doty, Mark Sagin.

J. V. TRACK

The 1975 West Linn Junior Varsity Track Team went into its final meet with a two-win, four-loss record. Although they lost by a considerable margin the J.V.'s have shown that they will be able to move up to varsity competition with anticipated success. Coach Vanni feels that our best meet this year was against Tigard. The score was West Linn 65, Tigard 32. Some of the most promising participants were Bill Hawkins, who ran the 440, and Kevin Bobillot, who performed in the long jump and pole vault events. There will be some senior thinclads missed next year, but this year's J.V.'s will strive to replace them.

Left: Wayne Gump vaults over the bar.
Above: John Teters clears the starting line with a good lead.

The Freshman Track Team won two meets and lost four. Virtually all of these first year track and field performers have the potential to become outstanding varsity participants in the future. Some of the boys who showed great potential this year were Skip Doty, who ran the 100 yard dash in 10.9 seconds, and Craig Howell, who performed in the javelin throw. Coach Joe Vanni feels that these boys are determined young athletes, and they will not let West Linn High School down in future years.

GIRLS' TRACK

The girls' track team has definitely made an impression on the school records this year. The new school records are: Shot, Jan Buse, 37 feet 10-1/2 inches; 100 yard dash, Teresa Newton, at 12.1. In the mile Lori Alzner kept breaking her own record, and ended up with 5:20.2, Kelly Wilson tied the 220 yard dash record at 28.1. In the 880 medley Linda Boozier, Teresa Newton, Kelly Wilson, and Lori Alzner broke the school record at 1.56.0. In the 880, Lori Alzner finished with 2.28.2.

In district we scored four points: Lori Alzner in the mile, and Jan Buse in shot. Both placed 5th in district for 2 points each.

Coach Miller says that she is really proud of the '74-'75 girls' track team. "The girls really did try hard this year and that makes me proud of them."

HOMECOMING

School spirit really went wild this year! Shouts and screams of "go, fight, win" echoed through the building during Homecoming Week. A powderpuff football game between the junior and senior girls kicked off the week. Senior Dave Whisler reigned as king of the powderpuff court, assisted by princes Tom Croy and Ed Nicolai. Princes Ronald Drew Quint and Don Esau represented the junior class. With Tuesday came 50's Day. Bobbie socks, red lipstick and the ever-popular saddles, along with slicked-back hair, rolled-up levis and shined-up hot rods made Tuesday an exciting day. Wednesday marked the pie-eating contest and root beer chug. For the pie-eating contest couples were chosen from each class; the object was to devour two pies quickly. The seniors proved victorious. Teachers got in the homecoming spirit with a root beer chug. Mr. Cotterill won it for the sophomore class. Thursday's activities included a talent show, tricycle race and, last but not least, a pot luck dinner. Friday started with an annual Oregon City-West Linn breakfast. The rally came up with new chants and cheers for the pep assembly and their original skits boosted school spirit. One of the biggest pep assemblies of the year preceded the Oregon City-West Linn game.

WAIT UNTIL DARK

The 1974-75 theatrical season began November 14 with the opening of Frederick Knott's "Wait Until Dark". The production was the first effort of the new drama coach, John Welty, and it proved to be an admirable success.

Set in a basement apartment in Greenwich Village, the play involves blind Susy Hendrix, dope smugglers, murderers, and a doll containing $10,000 in contraband. On a hoax, Susy's husband Sam is taken out of town. Susy is left alone to battle with the criminals who will stop at nothing to retrieve the doll.

The fast paced, suspenseful play, along with the quality performances offered by the cast provided three evenings of outstanding entertainment.

The play had such appeal that the student body looked forward to the future efforts of the drama department.

CHRISTMAS BALL

For the first time since 1968 West Linn High School commemorated the holiday season with a Christmas Ball. Student interest and the need for student activity during this pre-vacation week were decisive factors in the decision made by the leadership class in sponsoring the ball.

One of the most attractive highlights of the dance was the beautifully decorated Flavia Hall. A huge tree ornamented in the traditional yuletide style and mistletoe placed strategically around the room created a warm and friendly atmosphere for the couples who attended.

Music by such artists as Deep Purple and Bad Company were performed by the group Phoenix.

Top: Couples dance to the music of Phoenix. **Middle:** Denise Conway, Carol Wolfe, and Sharon Thomas make their entrance. **Bottom right:** Mr. Hibbard and Robin Brown discuss the dance.

POPS CONCERT

One of the most impressive programs to evolve from the music department is the annual Pops Concert, and 1975 was no exception.

The concert was held in the gym where small tables were set up to give a sidewalk cafe effect. For the convenience of the audience, waiters came to the tables offering refreshments provided by the Music Boosters.

The music program for the evening included selections such as Eleanor Rigby, Yesterday and Cherish.

The audience showed its approval by giving a standing ovation to the director and his band.

BASKETBALL HOMECOMING

To raise student spirit and extra money, the Leadership class sponsored a Basketball Homecoming this year. Many events took place during "Sweetheart Week", all leading up to the Valentine's Day Homecoming Dance. The Queen this year was not chosen in the usual manner: Classes competed for activity points and the class accumulating the most points won the Queen's crown for their princess. Some of the activities and competitions occurring throughout the week were: mini-olympics, a beard growing contest, Slave Day Auction, a car bash and for those budding lovers, Val-O-Gram sales. "Sweetheart Week" was fun for the whole student body and raised some much-needed funds for the Leadership people.

THE DEATH AND LIFE OF SNEAKY FITCH

On March 6, 7, and 8, West Linn's drama department presented its first major winter production in three years. The Death and Life of Sneaky Fitch played to some six hundred enthusiastic viewers over the three nights. Sneaky Fitch, a parody on the traditional American Western, contained such idealized characters as a town drunk, the rock-headed sheriff, and the meanest, fastest gunman in the West. Add some floozy dance-hall girls and rootin'-tootin' cowboys and you have a mixture which produced many laughs and was fun for all.

Queen Denise J. Escorted by Kyle Wood

Turkey sandwiches and peppermint ice cream rank high on the list of favorites for Queen Denise Conway. Another favorite of Denise's is Cat Stevens. Voted senior favorite "Biggest Flirt", blonde haired, blue-eyed Denise stands 5'5-1/2" tall. Among the many honors that have been awarded to Denise in the past are Varsity Rally, Debs, Sophomore Class Treasurer, Basketball Homecoming Queen and Student Council. Denise plans to work this summer and then attend P.C.C. in the fall.

May Day, as in the tradition of the past, was held on the first Friday in May and was commemorated with a court of eight princesses and a queen. In addition to the traditional winding of the Maypole, Gymnastics, and the square dancers, this year featured the escorts waltzing with the court to "Favorite Things." Another treat for the May Day audience was a judo exhibit. The Debs this year put together a spectacular show using the sounds of Tijuana Brass. The finale of the celebration was the lovely Court Dance, led by the reigning Queen Denise, to the haunting melody of "What is Youth."

Sunshine Serenade

May Day 1975

"Smile and the world smiles back at you" is the favorite quotation of Maid of Honor Carol Wolf.

Friendly and versatile Carol stands 5'4" with light brown hair and sparkling green eyes. Some of the many honors Carol has received while attending West Linn include: Freshman Homecoming Princess, Freshman Class Treasurer, Junior Varsity Rally, Varsity Fall Rally, and being voted "Most Spirited" by the Girls' League. Plans for Carol's summer include working and having a good time before attending college and majoring in physical education in the fall.

Brown-eyed Val Bartels was very active for four years at WLHS. Her interests covered a wide range of involvement: Rally, ICC, GAA, track and gymnastics, and a part in "Sneaky Fitch". Val likes cheeseburgers, ice cream cones, summer, Chicago, shopping, and being with friends. Her future plans include working in Hawaii and attending U. of O.

Princess Marta Escorted by Mark Cramer

Princess Marta Buckiewicz reacted to her Court selection with "disbelief". She's been actively involved during high school, particularly in Thespians, Art Club, Honor Society, Debs, and Rally. Marta enjoys stuffed cabbage and cheesecake, sewing and fall. Being in "Corndoggie" and May Day highlight Marta's career. Travel and college are in Marta's future plans.

Tuna fish and cheese on rye, Gordon Lightfoot, and springtime are favorites of Princess Renee Couture. Renee has been a Deb two years and was appropriately chosen "Most Talkative" for her class. Playing Maroon in "Sneaky Fitch" and May Court stand out in Renee's four years at West Linn. The tallest member on Court at 5'9", Renee plans on work, travel, and school.

Blonde, blue-eyed Princess Jody Hellburg's biggest high school memory was her May Court selection. Jody has also been on Debs and Student Council. Her favorites are B.T.O., Dave Allen, summer "because there is no school", and grilled crab with swiss cheese. Jody will attend Portland Community College in the fall.

Bubbly Princess Kristi Kestek was a delightful addition to the 1975 May Court. Kristi stands 5'3" with green eyes and light brown hair. She was voted senior class favorite for friendliness and cutest smile. In addition to being elected Football Homecoming Queen, Kristi was elected to J.V. and Varsity Rally, Debutantes, Girls' League vice-president and secretary. She was also involved in A.F.S. and Powder Puff football. When not involved in school activities, Princess Kristi can be found working at Plush Pippin or running around with Terry. Kristi plans to work and travel to Mexico this summer, after which she hopes to attend college.

Princess Karen Escorted by Dave Whisler

Steak and baked potatoes, Bachman-Turner Overdrive, Dave, and the expression "Boogie" are high on Princess Karen Svendsen's list of favorites. Summer is Karen's favorite season because, "There are so many things to do in the hot weather, and no school." One of the taller members of the court, Princess Karen at 5'7" enjoys parties and "cruising Broadway." Karen's reaction to being chosen for May Court was "I went crazy."

Princess Amy Wallace, arriving at West Linn in her sophomore year, was involved in Thespians, Honor Society (4.0), band, gymnastics, and Ski Club. Amy was also honored by being chosen Forensics Club treasurer, two years of Varsity Rally, second place Elks Leadership contest, and she is listed in the "Who's Who in American High School students." Although "look before you leap!" is petite Princess Amy's (5'0") favorite expression, she was hit by a car one week after being chosen for May Court. Amy's plans for summer include completely recuperating and in the fall she hopes to attend U. of O. to study pre-medicine.

Queen's Ball

The 56th annual Queen's Ball was held in the Portland State University Ballroom on Saturday, May 3, 1975.

Upon arriving, the 125 couples in attendance were greeted and then announced as they crossed under an arch covered with ivy and flanked on both sides by a white picket fence.

Decorations and refreshments for this year's ball were a tremendous asset to the sponsoring junior class. A twenty-foot helium balloon tree accented by colored spotlights and freshly cut flowers at each table gave the room a relaxing atmosphere. The music was provided by a swing band, The Keys.

OKLAHOMA

Where could 45 young people get together with the help of two teachers and produce a hit ? West Linn is where, and "Oklahoma" is the hit. "Oklahoma" was the first Broadway musical performed at West Linn since "Camelot" eight years ago. In addition to being the first musical for West Linn, it was also the first musical for either Mrs. Bouma or Mr. Welty. The orchestra, under the direction of Mr. Nelson, was at its best and enhanced the production. "Oklahoma" was the dramatic highlight of the year.

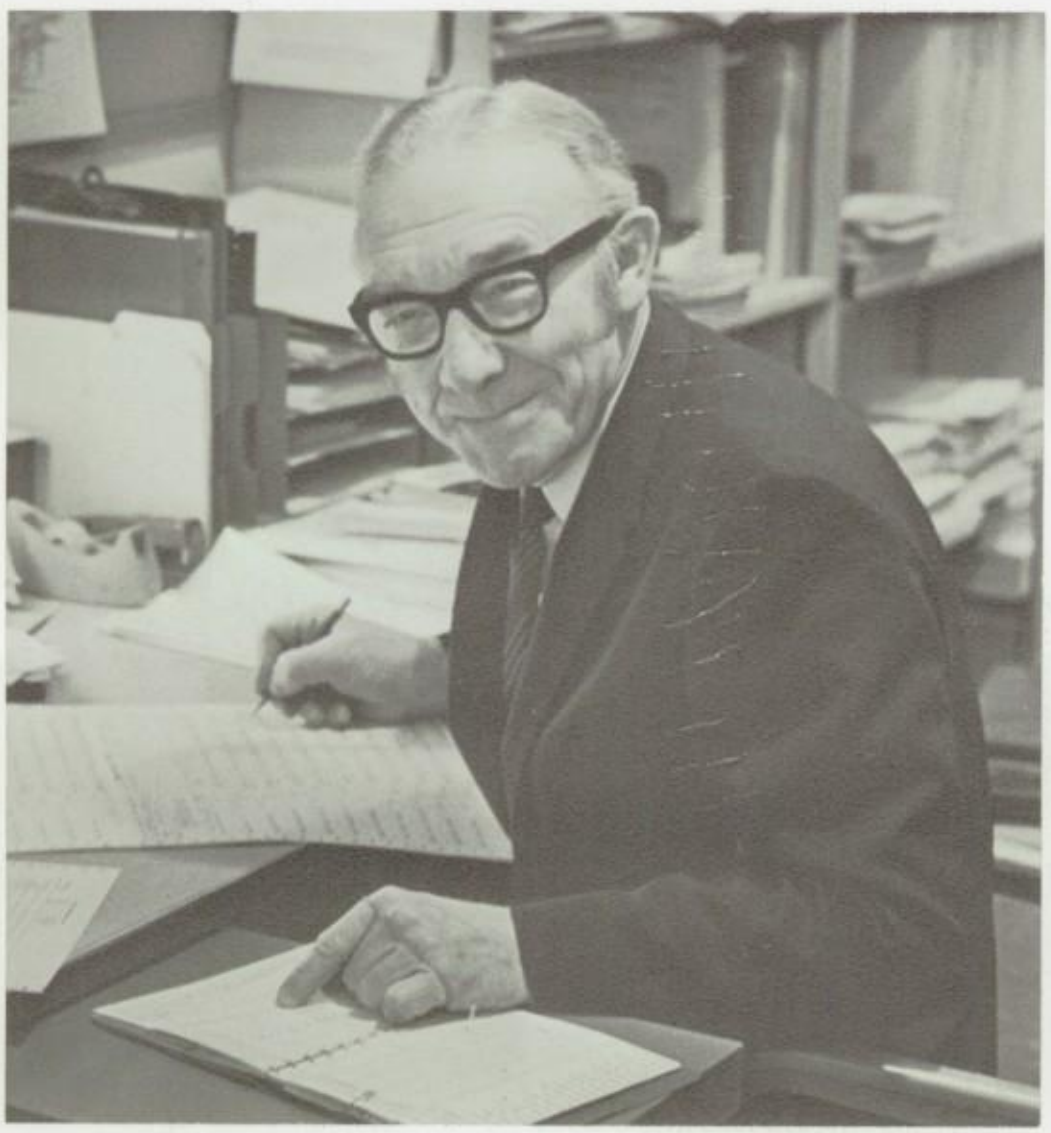
ACADEMICS

SUPERVISORS ADMINISTRATORS

Many new faces were seen in this year's administration. A rookie principal, two new school board members, and twelve more faculty were just a few of the additions to the '74-'75 West Linn staff. The administration instituted an "open forum" for students to air grievances and exchange ideas. More discussion occurred on the attendance policy but no decision was made to change or amend it. This year's administration also reinstated the Christmas Ball and Basketball Homecoming. Student participation and support of these events was so positive that both are likely to be on next year's calendar of events also. The school board has been concerned with long-range plans for a new high school. Dr. John Stuckey, school planner and Brenda Spidal, high school representative kept the board informed on community and student opinions.



Bottom right: Curriculum vice-principal Ernest Gettel takes time to listen to students. **Top right:** Dan Rollins, administrative vice-principal, flashes his winning smile. **Above:** District music supervisor, LaMar Jensen, keeps up with his paperwork.

'74 was a unique year for many—a U.S. president resigned, the Oakland A's once again won the World Series and Mr. Larry Hibbard attended his freshman year at West Linn High School as principal. Mr. Hibbard was immediately faced with the problem of being new to the district and new to the job of principal. However, both students and faculty alike did a great job of adjusting and settling problems and, according to Mr. Hibbard, "The biggest crisis I faced all year was getting the budget in on time." The goal of a principal is to keep the administration working smoothly while always looking for improvement. Mr. Hibbard intends to be open-minded about the running of this school and welcomes any helpful suggestions or constructive criticisms. When asked what impressed him most about West Linn High, Mr. Hibbard replied, "I'm amazed by the friendly attitude between kids and the administration. Everyone has been very cooperative, and I've enjoyed very much this first year of working with the students, parents, and fine staff."

COUNSELING

Aiding students in job placement, college selection, and personal problems were just a few of the many jobs handled by the counseling department this year. Due to new state laws, student records are kept confidential and can be shown only with a student's permission. It was difficult to see the counselors without an appointment, but students found this department very helpful.

LIBRARY

West Linn's library is a constantly expanding department. Current material is available for students wishing to do research or read for pleasure. The audio-visual department is maintained by Mr. Aue, who is assisted by Mr. Ridding. Stereos, television, and other equipment are kept in excellent working order due to the efforts of these men.

ACADEMICS

West Linn added twelve new teachers to the staff this year, making it one of the finest faculties in the state. With the new teachers came a wider selection of classes and interests, allowing the students more choice in pursuing their goals.

SECRETARIES CUSTODIANS and COOKS

The club also sponsored the annual A.F.S. day and made various national and international exchange programs available to club members.

HONOR SOCIETY

West Linn's chapter of the National Honor Society was led this year by Mrs. Phyllis Swank and president Ian McCutcheon. The group esteems those who strive toward scholarship during their four years of secondary education. This year the Honor Society sponsored the annual Teacher-Turnabout Day, which gave seniors a chance to view teaching from the other side of the desk. They also provided various activities for club members to help them become better acquainted with each other.

GIRLS' LEAGUE

Girls' League is an organization designed for the express purpose of promoting spirit in school and in the community. This purpose was accomplished this year through the Big Sister-Little Sister Tea which helped the freshmen girls get acquainted with the upper classmen, and the first annual Powder Puff football game between the junior and senior girls. Other activities included Christmas caroling, the Father-Daughter Banquet, and the Mother-Daughter Tea, Girls' League also sponsored Twirp. Mrs. Greiling was this year's advisor.

The 1974-75 administration, consisting of junior Kim Rasmussen, vice president; seniors Mary Terry Dimick, activity director; Kristi Kestek, secretary; and Sandy Fowler, president, ably served the WLHS Girls' League.

DEBUTANTES

Debutantes, under the direction and guidance of Mrs. Bocci, provided spirit and entertainment for all during athletic events, school activities, and pep assemblies held throughout the year. Consisting of twenty members, the team placed third in Wilco League competition, leading to the state dance-drill competition. Much practice went before school and on weekends to maintain a high standard.

AMPLIFIER

Gathering information, conducting interviews, assigning copy and pasting pages to produce the bi-monthly Amplifier newspaper became fairly routine procedure to the Journalism staff. Students were left to their own accord as to content of the issue, developing responsibility, a sense of direction, and infinite patience, while Mr. Rich Davis supervised deadlines and production and provided necessary information for staff members.

SKI/SCUBA

Providing opportunities for students to learn to ski, Ski Club also set up a group basis for students to work with each other. Organized transportation and fairly low tournament fees in times of inflation accounted for a large portion of the studentbody's involvement.

The purpose of the Scuba Club was to advance sport diving to a high school level. The club promoted safe and enjoyable methods of underwater sports and achieved goals even though forced to seek other practice areas due to West Linn High's damaged swimming pool.

Joe Whiteny, Steve Sparks, Jeff Jackson, Mark Krellwitz, Al Mann, and Advisor Mr. Don Smith hold symbolic banner of Scuba Club up for view as they prepare to explore the watery depths of various bodies of water.

Future Farmers of America, an organization composed of members interested in any phase of agriculture, participated in activities such as shop skills, horticulture-forestry techniques, parliamentary procedure and public speaking, soils judging, fair exhibitions, and FFA basketball tournaments, developing leadership and citizenship in its members.

Testing for pollutants in rivers, arranging hiking trails and planning Earth Day were all a result of Ecology Club. Members also explored the opportunity for Department of Environmental Quality (DEQ) Emission Tests for student cars, bringing to the school an understanding of the conservation of our natural resources.

YMCA LEGISLATURE

Youth Legislature is an annual event in the Youth in Government part of the Y.M.C.A. Fourteen juniors and seniors participated in the April 10-12 event with their advisor Mike Glenn. Youth Legislature consists of students taking over the state legislature houses and running mock sessions plus writing and debating bills. West Linn took all offices in the House including Speaker of the House Brian Hackenberger, Clerk Ian McCutcheon, Reading Clerk Rick Bulow, Chaplin Brenda Spidal, and Sergeant-at-Arms David Dornblazer. Overall, it was a terrific experience for all involved.

HI-Q

Although the T.V. show has become a thing of the past, this group of intelligent beings carried on the spirit of the show in their meetings. During the year, they competed against Central Catholic, Milwaukie, and each other. They made an effort as a team to keep their abilities up to par in the event that a Wilco League of Hi-Q teams be established.

THESPIANS

Under the guidance of Mr. John Welty and President Molly Hill, the Thespian troupe dedicated their time and talents to the cultural advancement of school life. This creative, original group participated in various drama competitions within the Wilco League as well as holding parties and an awards picnic as a club. The fruit of their labors brought three productions to West Linn's theatre: "Wait Until Dark" in the fall, "The Death and Life of Sneaky Fitch" in the winter, and "Oklahoma" ended the successful season.

Daring to be different, this motley crew represents only part of Thespian troupe 870. **Front row:** Karen Olsen, Marta Buckiewicz, Amy Wallace, Molly Hill, Kay Greenlee, Jenny Hamel. **Row two:** Brenda Louise Spidal, James M. M M M

With the help of Mrs. JoAnne Bouma and five remaining members, MMM was saved from extinction this year. The club was opened for applications and in the early part of January some 20 people became active members of the Modern Music Masters Society.

Under the administration of Kay King, the club was dedicated to the cultural advancement of West Linn High School in the area of music.

FORENSICS

West Linn is not a school noted merely for its basketball prowess as the Forensics club proved again this year. The club is designed for those students who have an interest in competitive speech. The ability to speak to a group and be coherent is a talent. Those possessing this ability were rewarded time and again at speech meets, each time bringing home the gold. This year Forensics was led by Rick Bulow and advised by Mrs. Gano.

The choral groups under the direction of Jo Ann Bouma had an extraordinary year. Jo Ann's first year brought an evening Christmas Concert and "Oklahoma", West Linn's first official musical in many years. All the music groups improved including the Concert Choir, which had slipped in recent years. The choral groups show great promise for future years with Jo Ann as conductor. All groups increased in size during semester break, for some of the finest music in quite a while.

LIVING EXPERIENCE: Joan Bruck, Sheri Granquist, Brenda Spidal, Judy Ragsdale, Marguerite Teters, Karen Zauner, Kirstie Simmons, Beth Gibson, Cherie Olsen, Jean Johnson.

BANDS/ ORCHESTRA

Instrumentalists abound at West Linn High. The orchestra under the direction of Glenn Reeves made the Christmas Concert a memorable event for many. The Winter Concert continued the line of interesting music.

The bands switched directors in mid-year when Dan Ellis got mononucleosis and was forced to resign, Don Nelson took over as director and did a fine job. Both Stage and Concert Band improved substantially in '75.

SENIORS

SENIORS

The class of 1975 is one that will be remembered and led the way for classes to come, I feel. Football Homecoming Week was full of activities this year. The seniors sponsored such things as the school-wide potluck and the first tricycle race. The Christmas Ball was a great success, and the seniors helped to make it a success. There was also a Sweetheart Week around Valentine's Day in which the seniors were involved. A car bash, a beard growing contest, and mini-olympics were some of the activities. This group of young people was also a class of tremendous spirit. The class had some outstanding young men and women in various fields. With the determination and wit that this year's graduating class showed, great things can be expected from them in the future.

Sincerely,
Kyle Wood

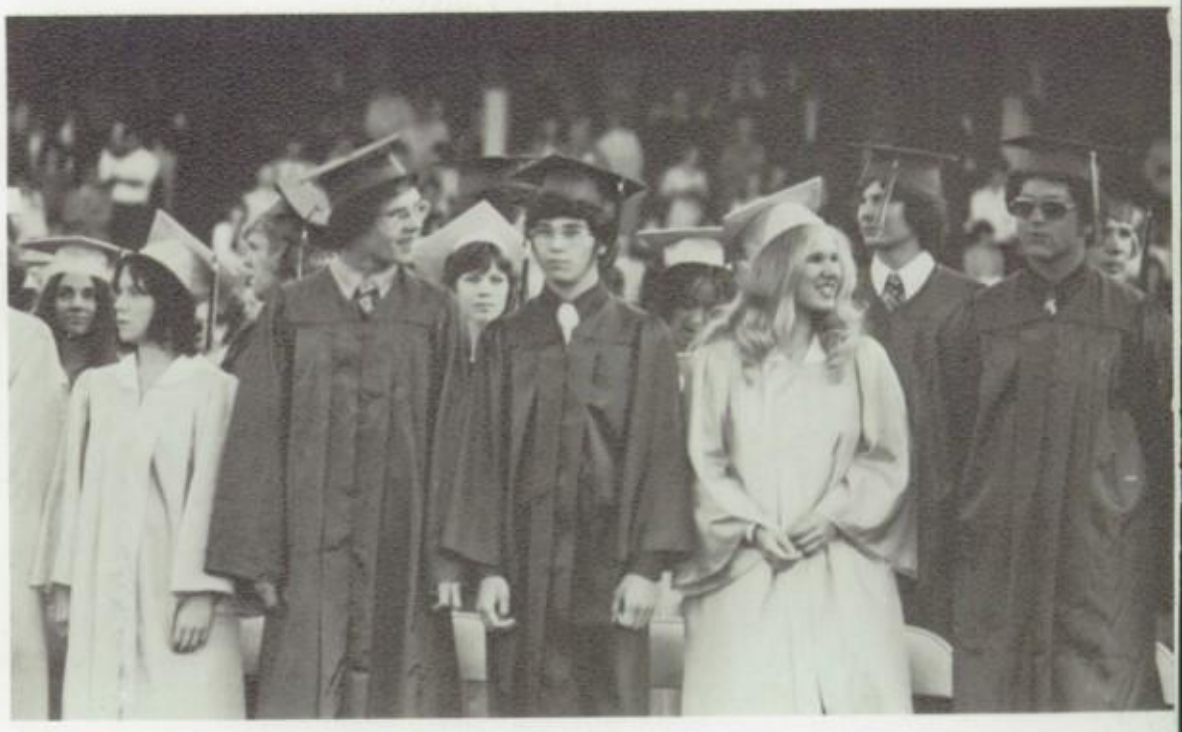
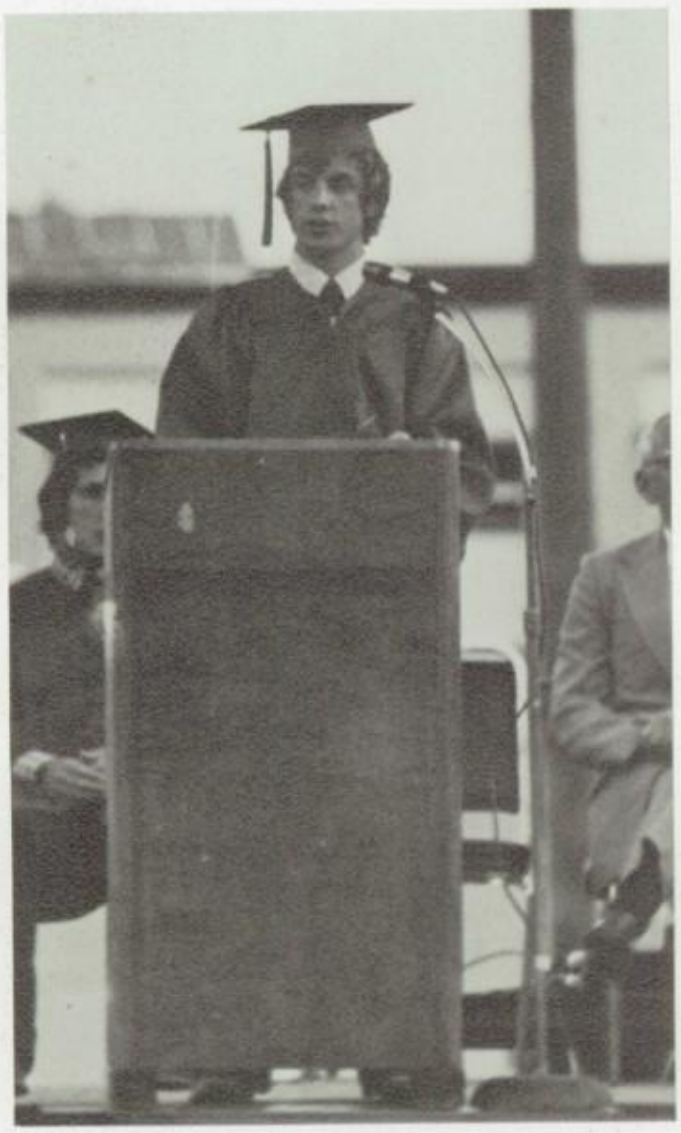
GRADUATION

The 1975 grads decided to take their graduation outside. The 75 grads marched onto the football field to shouts and applause from the audience. The commencement ceremony began with Kyle Wood introducing Mr. Hibbard, who introduced each valedictorian by telling a little bit about their accomplishments and activities in their four years of high school.

This year was a little unusual with four valedictorians, starting with Karen Olson, and going on down the line with Monte Smith, Amy Wallace and ending with Kyle Wood. Each of the speeches given by the valedictorians reflected their philosophy and outlook on life. Bill Bailey, salutatorian, did not give a speech.





Top right: Honor students stand at attention waiting to be seated. **Center:** Valedictorians and guest speakers stand for flag salute. **Above:** Kyle Wood, class president and valedictorian, gives his speech to very attentive audience. **Far right:** Valedictorian Karen Olson gives her speech. **Right:** Amy Wallace, valedictorian shows her outstanding speech ability.

HONOR STUDENTS

Twenty-three students worked and whiled their way to become Honor Students for the class of '75. The students were required to maintain at least an accumulative 3.5 GPA and rank in the top 10% of the class while taking two of either Advanced Placement English, Math Analysis, Physics, or combinations of Sociology, Economics and Political Science. This dedicated group of students deserve the recognition of the entire student body, and they are to be congratulated for their outstanding achievements. Based on their performance over the last four years, great things can be expected of them.

On a sunny afternoon the 1975 Honor Students pose in the student parking lot after a boring day. **Front row:** Kari Sagin, Curt Rogers, Kyle Wood, Fred Schubert, Steve Lewis, Amy Wallace, Karen Olson, Toni Stewart, Cathy Davis, Jill Finch and Kelly Brown. **Second row:** Allen Day, Rick Bulow, Tom Croy, Bill Bailey, Peter Arndt, Ian McCutcheon, Lori Davis, Kim Izatt, Jean Ekerson, Jan Pepper, Monte Smith, and Kevin Viaene.

The West Linn High School yearbook staff underwent many changes during the 1974-75 school year. Despite these changes it was the sincere desire of the Green and Gold yearbook staff to present this yearbook and to accurately record the school year.

Special thanks should be given to Mr. Greenlee for heading the photography department, Mr. McCall and Mr. Gibbs for taking pictures, Mr. Espino for his art work, and to Mrs. Benson, who made it possible to publish this year's yearbook.

The 1974-75 school year saw many exciting and interesting events take place at West Linn High School, and this yearbook serves as a pictorial summary of those events and the people associated with them.

The 1974-75 yearbook staff members and their adviser, Mrs. Benson, have put many hours into the production of this book and are to be commended for their efforts. For those students whose pictures are contained herein, and especially for members of the Class of 1975, the value of the yearbook will increase as the years pass because it does represent a concise, illustrated review of the 1974-75 school year.

I offer my congratulations to the members of the Class of 1975 and wish them well as they pursue their individual goals and career choices in the years ahead.
